1.	EPA-HQ-2019-006469 ✓✓✓	Ms. Maxine Joselow	E&E News	6/12/2019	EPA-HQ - Headquarters AO	I request all communications concerning EPA's decision against holding an event in March 2018 at Pohanka Chevrolet in Chantilly, Va. EPA officials were originally considering having then-EPA Administrator Scott Pruitt deliver a speech at Pohanka Chevrolet about the agency's reconsideration of greenhouse gas emission standards for light-duty vehicles, according to an email from EPA's Daisy Letendre that is contained in page 113 of the attached document. But EPA officials ultimately decided on a different venue for the speech. All communications containing the search terms "Pohanka" or "Pohanka Chevrolet" from Daisy Letendre and other EPA officials should be considered responsive to this request. The time period for the search is March 1, 2018 to the present.

18. EPA-HQ-2019-006566 	Douglas Durante	Clean Fuels Development Coalition	6/14/2019	EPA-HQ-OAR-OTAQ - Office of Transportation and Air Quality	Two representatives of EPA's OTAQ, National Vehicle and Fuel Emissions Laboratory located in Ann Arbor MI, Rafal Sobotowski and Aron Butler , previously presented data in both 2018 and 2019 from a specific vehicle study they referenced that was conducted by EPA. EPA's vehicle testing included six GDI vehicles that tested six E10 fuels. The Testing was represented to have included both FTP and US06 drive cycle data and some testing done at lower temperature. Clean Fuels Development Coalition is requesting all vehicle emission and fuel data from this testing referenced in the presentations of Mr. Sobotowski and Mr. Butler. We believe the testing data may have been generated in 2017, but our request is for all testing supporting their presentations, regardless of when conducted. We also request all speciation data that was referenced in the EPA's presentation of March 13, 2019. Titled, "A Pilot Study of T50, RVP and Ambient Temperature Effects on PM Emissions from Light-Duty GDI Vehicles." Presented by Rafal A. Sobotowski at the 2019 CRC Real World Emissions Workshop.

The site is currently being operated by Texas Lazarus Refining. I would like to narrow my request to the following: All emails exchanged between Gary Moore of the Environmental Protection Agency and Texas Lazarus Refining, representatives, including Jonathan Carroll (jcarroll@lazarusenergy.com); Steven Wilson (SteveWilsonWSE@gmail.com) and anyone else at the domain lazarusenergy.com, including Scott Stanush, and the EPA for the time period between January 2016 to present. I have spoken with Mr. Moore who reads in copy and he believes that there are not many emails. I am not requesting CBI and excluding it. I also agree to pay up to \$500 for any related search fees. I need this information pretty quickly so your assistance is much appreciated. I have attached an email exchanged between Texas Lazarus Refining--the operator of the Superfund site, and Mr. Gary Moore to help clarify this request.
